## Pastor's Corner

### Fifth Sunday of Lent

Fear is a terrible thing. It clouds our vision. It radically decreases our situational awareness. It can paralyze us. We shift into self-survival mode. Irresponsible and cavalier media exacerbate the situation. Rarely do they report actual news. Instead, they offer opinion, theory, speculate, manipulate and/or (shamefully), fabricate. Frequently they judge, condemn, blame, "point the finger" or pull the "racism card". I have heard it said, "if you do not listen to the news you are un-informed". "If you listen to the news you are mis-informed" What's a Christian to do? Through all of this I remember the all-important truth: life is short and fragile. Every moment we have is a precious gift from God. We can leave this physical world in an instant: accident, foul play, old age, natural death, viral infection. (Such is the plight of a finite being). Our concern should be on how we live in this world. If we live and spend every moment connected to God in imitation of Jesus, we will not have a fear in the world. That is the Gospel (Good News) truth. God bless us in these anxious-ridden times.

Msgr. Jon F. Majarucon

What does love look like?  
It has feet to go to the poor and needy.  
It has eyes to see misery and want.  
It has ears to hear the  
sighs and sorrows of others.

—St. Augustine

### Suspension of ALL Public Masses

### Online Streaming of Sunday Mass

Catholics are encouraged to continue to pray at home with their families and join to the sacrifice of the Mass by making an act of spiritual communion. They are also encouraged to participate in the Holy Mass via the internet. The Archdiocese will provide a livestream of non-public Masses from the Cathedral of Our Lady of Angels daily and on Sunday via Facebook, @lacatholics, ([facebook.com/lacatholics/](http://facebook.com/lacatholics/)) or visit [lacatholics.org/emergency/](http://lacatholics.org/emergency/).

### Please Remember:

#### These are Grave Circumstances

Refraining from participation in the liturgy is out of care for our wellbeing and others. It is not out of unkindness or lack of piety. A letter from Archbishop Gomez, including liturgical accommodations and more information, can be found at <https://lacatholics.org/emergency/>

*From The Principal's Desk*

Dear St. Raphael School Families and Friends,

**Remote Learning:** We have hit the ground running and students are learning! Our amazing teaching have tackled a new way of teaching and are having fun with it. It's wonderful to see all of the students' remote responses. If you need any support with devices, please don't hessite to contact me. Teachers will be prepping materials on Monday and then will be pushing out lessons Tuesday – Friday. On Mondays, students will have "Ms. Limb's Monday Menu." Students will receive enrichment activities via Gradelink. It's also a day for students to do make-up work. This does not apply to our Algebra or Geometry class. They will continue to meet five day per week.

**Break the Isolation with Prayer:** If you aren't praying together as a family, if you haven't been sure how to start that, NOW is the PERFECT time to begin. I've heard from some in our community who are now praying a family Rosary every day. Some are coming together once per day to say an Our Father. Some are reading a short passage from the Bible together. It doesn't have to be complicated, just pick something and give it a try.

In Mary's Love,

*Ms. Michelle Limb*, Principal

### Protecting Our Children

**Signs of abuse in children.** Last week we discussed the importance of early identification in stopping abuse. This week, we're looking at some of the signs of abuse that could help adults recognize whether children are in danger. These signs could include withdrawal from others, or a general mistrust of adults. A child who is being sexually abused may relate to others in a sexualized way, inappropriate for his or her age. He or she may suddenly refuse to go to school, or become very fearful of school, or the dark. Other signs that could indicate a child is being sexually abused include aggressive or secretive behavior. Keeping an eye out for these things can help an adult ask the right questions while serving as a trusted source of support and love for a child in need. For more signs, get a copy of the VIRTUS® article "A Step to Healing" at <https://lacatholics.org/wp-content/uploads/2020/02/VIRTUS-Online-Healing.pdf>

### Resurrection and The Life

Today's Gospel tells us of the raising of Lazarus. In Jesus' exchange with Lazarus' sister Martha, she refers to the general resurrection of the dead on "the last day." Jesus then shifts the perspective by identifying himself as "the resurrection and the life." What does this mean? Jesus earlier had spoken of the hour "when the dead will hear the voice of the Son of God, and those who hear will live" (*John 5:25*). When Jesus cries out in a loud voice—"Lazarus, come out!"—Jesus fulfills that role in the present, offering resurrection and life here and now, in a new relationship with him.

Resurrection is offered not only on the last day, and not only at our physical death, but in the mix of our present daily lives. Sometimes we are buried in tombs of suffering or of entrapment in sin. When we encounter death in its many forms, in faith we can hear Jesus, who summons us out of death and into life.
