Executive Director

Dear Church Family,

An amazing aroma has been wafting through the Catholic Center for the past few days as Lorena Carrillo has led a wonderful volunteer team in making tamales as a pro-life fundraiser!

Thank you so much to Lorena, the students, and parishioners (even middle school and high school students!) for donating your time to this great cause. Because of you, WISH Medical at Palouse Care Network is one step closer to being able to purchase a new ultrasound machine. For women in crisis situations, seeing their baby on the ultrasound screen can be what persuades them to choose life for their baby.

And the Knights of Columbus Roundtable is also raising funds for this very important effort! They are volunteering to do yardwork for anyone who has need, and all donations for their work will be donated to the purchase of the ultrasound machine. You can sign up to have them do yardwork for you on the sign-up sheets in the lobby.

What a gift to be part of a parish that celebrates and advocates for the dignity of every human life! Thank you all for making a profound difference!

Grace and peace,
Amy McNelly

Deacon Verne & Linda Geidl

Dear fellow Saints and Sinners,

Our seven-week **Healing Series** is completed. It has produced much good fruit in terms of physical healing, inner healing (i.e., healing of memories), and spiritual liberation for those attending the sessions and for their friends and families. Those healings will continue to occur and/or become deeper.

The greatest single reason that more healings do not occur in our world is that people will not pray for others to be healed. The reluctance is not in God but in us. That is why Jesus' and His apostles' and His disciples' (i.e., our) mission is to proclaim the Gospel both in word and in healing. Jesus proclaimed, "These signs will accompany those who believe (i.e., you): ... They will lay hands on the sick, and they will recover." This happens BECAUSE the Kingdom of God is here, not just to prove it. God sent his Son into the world, not to condemn the world, but to save the world. Therefore, you are under no condemnation – neither physically, emotionally, nor spiritually. God loves you and wants you to be whole.

Campus Ministry

FOCUS Event: As the University of Idaho prepares to go virtual after Thanksgiving, the FOCUS team and staff at St. Augustine's have been thinking and praying about how we can best continue to serve you.

We would like to invite you to an event the FOCUS team is hosting: Living Out Your Faith During Break. Being at home over break and learning virtually can be isolating and difficult. We as humans are made for relationship and connection. Because of this, being separate from one another is naturally grueling. We want you to feel loved and cared for by our community during this upcoming season. This event will give you inspiration and practical tools on how to best continue growing in your faith while away from the community here at St. Augustine's.

We will host the event on Thursday, November 19th at 7 p.m. in the dining hall. We can't wait to see you there!

Religious Education

We will be offering Junior High and Senior High Religious Education, beginning in October, the 1st and 3rd Sundays of the month, through March, after the Sunday morning Mass. At the same time, we'll offer a class for preparation for 1st Communion and Confession. There is no charge for our program, except families will be expected to take turns hosting snacks.
