## Pastor

Dear brothers and sisters in Christ,

Summer is flying by, and we'll be seeing students arriving for the fall semester soon! We're busy at work planning a great year of outreach and evangelization. Everyone should mark their calendars for a parish celebration on August 28th. It's our patronal feast of St. Augustine and falls on a Saturday this year. We'll have Mass at 4:00 p.m., bless our new icons, and have a BBQ following. It will cover your Sunday obligation. More details to come!

Later this month, Anna Kreslins, our new Communications Officer, will begin working to help us coordinate communication and marketing. We have lots of great things going on, we just need more people to know about them! I'll be away the last week of the month for campus ministry meetings and development work. While I'm gone, the interior of the church will be repainted a neutral cream. I consulted with a professional Catholic artist who trained at the Art Institute of Chicago to identify the best color for our space. It's long overdue and will be a welcome refresher.

Pope Francis this past week issued new guidelines for the celebration of the Extraordinary Form of the Mass, which we've done for the past number of years on Saturday mornings when I was available. I'm working with our diocesan officials to clarify what the guidelines mean for us at our parish. Thank you for your prayers and patience while implementation is carried out.

Please pray for our students who will be joining us here this Fall, that they might find a warm, welcoming, and holy community in which to pray and grow in their faith.

In Christ,  
Fr. Chase Hasenoehrl

## Director of Philanthropy

Howdy! My name is John Pawelek, and I hail from the great state of Texas. After graduating from Texas A&M University in 2016 I felt God calling me to surrender what I thought would be two years to serve as a FOCUS missionary. I was not expecting to be sent here to Moscow and the University of Idaho, but those two years became the greatest gifts of my life. My time in Moscow was transformational. It convicted my heart of the need to bring the greatest news ever given to humankind to those around me, and it allowed me to see that He does indeed have a plan for my life. After my two and a half years in Idaho I was sent to be the FOCUS Team Director at the University of Washington in Seattle, and my fiancée Natalie came here to St. Augustine's to serve as the FOCUS Team Director for one year. The two years served with the Dominicans at UW were filled with great challenges and blessing. But after our marriage and one year serving together in Seattle, Natalie and I both knew the Lord was calling us back to the place that left such a deep impact on the two of us.

Words cannot express our excitement and joy to be back in this great place serving in a new role but with the same mission. There is something special here in the St. Augustine community, and I believe the Lord wants its influence to profoundly change the world. I cannot wait to get to know all of you and work hand in hand in furthering the Kingdom of God.
