Pastor

Dear brothers and sisters in Christ,

It is August, which means our students are arriving! It will be great to kick off our school year in a couple of weeks! We have lots of exciting opportunities to encounter Jesus Christ and grow in our Catholic faith! In particular, this fall, we're launching a new parish program of faith formation called Spirit & Life. Much more information will be provided in the coming weeks, but our mission is to provide the breadth and depth of the Catholic faith in a meaningful and accessible way for all people, from non-baptized to life-long practicing Catholics.

Our registration process for students and parishioners will happen on September 22nd, which includes parish groups and activities, as well as ministries to get involved with. As always, watch our bulletin, check out website, vandalcatholic.com, and follow us on Facebook and Instagram to stay on top of all the many great things happening.

Finally, Monica's Coffee Bar is back open in our dining room. Please take advantage of this opportunity to have great coffee, support campus ministry, and enjoy fun community.

In Christ,

Fr. Chase Hasenoehrl

Communications Officer

My name is Anna Kreslins and, as the new Communications Officer here at Saint Augustine's Catholic Center, I would love to briefly introduce myself! I was born in Michigan in my beautiful family of nine, moved to Idaho during High School, and attended the University of Idaho for one year (2015-2016). After an adventurous year, I left UI to enter the Discalced Carmelite Nuns of Sacramento where I spent over two years living this beautiful life of prayer and sacrifice for the Church and world. There I experienced the great paradox of finding the fullness of life and joy when one "loses their life" for Christ's sake! After over two years, I discerned out of this community and moved to Spokane, WA, where now almost three year later I have just moved from to take this position.

I am so grateful to return to Saint Augustine's where the Lord has given in such abundance to me, to give back to Him and the students here. I will be running Saint Augustine's social media platforms, different avenues of communication, marketing and promoting events and ministries, and helping with some music and outreach ministry on the side! Please go on our different platforms and follow along, supporting Saint Augustine's on social media as we seek to reach more souls, meeting people where they are at and expanding into greater digital evangelization and outreach.

If you see me around, please come introduce yourself! I am always ready to talk about all things Green Bay Packers, the Lord and His goodness, music, or anything!

In Christ, our life,

Anna Kreslins
