These are unprecedented times, to say the least. This plan for Christmas Masses is being implemented with a desire to maximize our seating capacity and ensure as many of the faithful can participate in the celebration of our Lord's Nativity. Every effort will be made to accommodate the needs of the faithful but may not always be possible.

Your understanding and patience are greatly appreciated.

Church pews and commonly touched surfaces (doorknobs, railings, etc.) will be SANITIZED between each Mass.
