The Most Holy Body and Blood of Christ - June 14, 2020

From the Desk of Our Pastor

Dear Parishioners,

We are so happy to have resumed in person Masses last weekend. Prior to our reopening, our church was thoroughly sanitized and cleaned by a professional cleaning company. As we resumed Masses, our staff members and volunteers sanitized each pew and high touch areas to ensure cleanliness. We welcomed over 200 parishioners over the course of the weekend.

We have designated one entrance and two exits for parishioners to use. Parishioners are asked to enter through the church main doors on Atlantic, where greeters will escort you to your seats. Families who live together, may sit together in a pew; those who do not live in the same household will be asked to socially distance themselves from one another. In order to keep the required distance, every other pew has been closed off.

During the offertory and time of communion, parishioners will be guided to either the front of the church or to the middle of the church to keep the required distance; directives will be given during each Mass.

Although there are some changes we need to adhere to, we are so thankful to have our faithful parishioners join us for Mass.

We look forward to seeing all of you soon.

Fr. John
