**Faith Direct
E-Giving**

Fall is here along with our traditional season of stewardship. However, this year has been anything but typical, which is why we are reaching out to our parishioners.

This year people throughout our community have turned to us for help. However, St. Thomas Aquinas can only continue to meet that need with your assistance. Your valuable online donations help us to continue our ministry to answer their call for help.

We prayerfully request that you consider signing up for eGiving from your computer, smartphone or tablet and set up a recurring donation or make a one-time gift.

Sign up today by visiting:
faith.direct/CA779.

Thank you for your continued support of our parish family.

Shape the future of our congregation, neighborhood, and community by supporting the 2020 Census. Over the next 10 years, data from the 2020 Census will inform the distribution of hundreds of billions of dollars in federal funds each year that support education, health care, emergency services, housing and food assistance, and more.

Complete the 2020 Census today online, by phone, or by mail. Visit 2020census.gov or call 844-330-2020. Spanish, Chinese and other language support is available. Deadline for completion is fast approaching.

Religious Education, Confirmation and Adult Faith Formation Classes start 10/11

Registration Now Open

During the Pandemic time, it has become more evident of the need to provide invitations to our Faith Formation. We have an invitation that speaks to a person's heart and soul that breaks through the fears that keep people from the journey.

Registration for First Holy Communion, Confirmation, Adult Faith Formation and RCIA is now open for the upcoming year. **All classes will start on October 11th, 2020 and will be given via ZOOM meetings.**

If you know of any child or adult who needs to receive the sacraments of Baptism, First Communion and Confirmation, please have them call Ana Martinez at the Religious Education office by phone: 323-264-1338 or email: stareligioused@stampk.org.

**Safeguard The Children
DID YOU KNOW?**

**Consider setting up a “classroom”
for safe internet use**

If your child’s school distributed iPads or tablets to help with distance learning this fall, consider setting up a designated place in your home for your child to use these devices. Knowing what your child is doing online is made significantly easier if he or she is using a device in the kitchen, or family room, where you can periodically check in. While the school may have installed basic content filtering software and limited access protections, parents should review the device protections before letting children use them.
