

October 30<sup>th</sup>, 2020

Happy Halloween weekend everyone! Thank you for sending in all the food, candy and supplies to make Thursday and Friday a success! This week we enjoyed all things Halloween! I would say two highlights were definitely our pumpkin patch and pumpkin volcano! We enjoyed celebrating through many crafts, songs, and stories all week long. We also heard the Pumpkin Gospel in Religion, explaining how God helps clean us of all our sad choices, similar to cleaning out a pumpkin to rid it of all the “yuckiness” inside. We also made time to work on the letter E this week and the children are excited to continue our journey through the alphabet. I hope you all have a fun and safe Halloween with your families. See you next week!

Miss Teri
