

Welcome to the Elementary Team, Third Grade Families!

Your student will best prepare for the upcoming school year by practicing their Math and Reading skills throughout the summer.

Math

- Complete the math packet. It is available in hard copy or electronically and will be provided to your student by the office. (It's open Monday-Friday from 9:00-2:00; be sure to call or email first.)
- Review Grade 2 concepts online, as assigned in the *Rising Grade 3 Google Classroom*. Plan to be done by August 21.

The class code is [vtlkvbl](#)

Reading

- Independently read at least two books of their choice. Please refer to the Summer Reading page for suggestions.
- Complete the two assignments related to the chosen books in the *Rising Grade 3 Google Classroom*. The assignments are due by August 21.
