

Welcome to Second Grade!

I am so excited to have you in class this fall! In order to have fun and get the most done, there are supplies we need. Below you will find the list of items needed to kick off our new academic year in grade two!

Please note that any additional supplies further than this list will be brought back home to limit cluttered spaces.

- Number 2 Pencils (Ticonderoga Preferred)

- 1 take home/homework folder

- 1 plain folder for Spanish

- 1 box of washable markers.

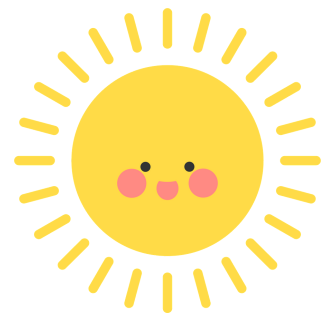

- 1 box of 24 crayons.

- Pack of 4 or 6 Glue Sticks

- 1 pair of kids scissors

- 1 Soft Pencil/Supply Case

- 1 container of cleaning wipes

I hope you are all having a wonderful summer. I hope you are excited to join me on new adventures soon! We can look forward to our plant studies, working on place value up to the thousands, and even writing hilarious stories in our journals! I can't wait to see you all and dive into the new school year. Until then, enjoy the sunshine!
