1st Quarter Parent/Teacher Conferences:

In a few weeks teachers will send home notes to all families to schedule conferences for the week of October 21-25. Every family will be expected to conference with their child/ren's teachers after school, and care will be taken to accommodate (on the same day) families who have more than one SHS student. The purpose of meeting is to help parents & teachers share information about their children and the work they are doing here at school in order to further our parent/teacher partnerships for the benefit of each child. Please mark your calendars. Return notes to teachers.

--Kinder-5th graders: the teachers will discuss & share students' 1st quarter report cards.
 --Montessori 3- & 4-year olds: teachers will share students' progress and the upcoming expectations for each child.

This is an excellent time for parents to ask questions and share any information with the teacher that could help her better serve each child. Please know that should issues arise before or after these conferences, our teachers are always open to conferencing with parents. Just call the office or your teacher to schedule.
