**Parent Alerts for Students' Lessons:**

3-yr & 4-yr olds: **Teachers will email or text you websites today** that the students may use to work on their skills. However, most of you have phones with internet, so try that.

**5-yr olds (Kindergarten) -5<sup>th</sup> graders: Pick up Packets at SHS between 3-6pm today or call if you can't do that.** Teachers are preparing packets for your children that include books, worksheets, and websites like IXL Math, etc. We are asking you to see that your children read/work lessons for at least 4 hours a day. Keep in mind that children need breaks between lessons. All work done should be brought to teachers once we return to school. Documentation of this work is necessary. Report Cards for the 3<sup>rd</sup> qtr will go home next week.

**Turn off the Television News When Your Child/ren are in the Room:** Please remember that your child/ren do not need to hear/see/watch television or news shows about this current situation. With children try to: (see attached from NASP)  
 -remain calm and reassuring.  
 -be available to them and give them your love and plenty of affection.  
 -avoid excessive blaming.  
 -monitor what they watch and social media.  
 -maintain as normal a routine as possible.  
 -be honest & know the symptoms. Young children usually are satisfied with short answers; upper elementary & older students will ask more questions. This website gives more info:
