

Grand Knights Report
July 3, 2020

Dear Brothers,

Happy Independence day. This is a time when we are at our peak of patriotism and I pray that we are all in good health.

It is an honor to serve this Council and I am proud of all of you for being such good role models for this Council and Parish.

The pandemic has got us in a locked down situation and I know we're all anxious to get back to normal and we will but we can take this time to learn something new. A suggestion came to me from a good friend and Brother Knight, "Teach us something" Let's take the time to learn something new about the Knights of Columbus and our faith. The Combined Exemplification is new to most of us and here to stay. Let's learn more about how it works. The new Exemplifications are available online during this pandemic so make your plans to become a Third Degree or even Fourth (Patriotic) Degree Knight through the online Exemplifications. Learn more about the Knights of Columbus and it will help you recruit someone.

Our Deputy Grand Knight Frank Neves and I will be working with Father Eric on our Faith in Action programs and the first program is Into the Breach. This will Teach us to Fight against the wicked way of the Devil. A great line in one the Into the Breach videos is the evil one has to get thru you to reach your Family. Are you ready, preparing yourself? Learn some great tools to Fight against the evil ways. Join us once a week for 8 weeks one hour at a time and enter the Breach to fix what is broken, learn more, and join us in August.

Last but not least, call a Brother you haven't seen for a while, reach out to someone and give them a call just to say hello. Leave no Neighbor behind.

I look forward to seeing in person soon. In God we trust.

Fraternally,

David Rogers, Grand Knight
