

Grand Knights Report

August 3, 2020

Dear Brother Knight's

***I have to say we are stronger than this Pandemic.
How do we win battles, you have a good battle plan!
The easiest battle plan ever, wears a mask; keep your hands clean and away from your face. Stay at home but stay in touch. Make sure you contact someone you know that needs that call. Reach out to someone and make contact. We have all been in bigger battles than this. We will beat this Pandemic.***

While we are at home join us online in a study group that is called Into the Breach. It starts August 15th and runs for 8 weeks. Most Rev. Thomas Olmsted, Bishop of Phoenix wrote this Apostolic Exhortation to Catholic men to help them understand that the world is under attack by Satan. Here you will find the Catholic tools to defend you and your Family. This is something we can do together and share with someone. Signup on our website kofcsj.com and while you're on the website look for the Check Presentation to A Woman's Friend for a state of the art Ultrasound Machine that will be in place soon and saving Mother's and Baby's lives from the horrors of abortion. A Great Thank you is in order for the Brother's and parishioners that donated to this Ultrasound project. Thank you for helping Women choose Life for the unborn.

In the Spirit of the Luau was a success and we raised \$1235 that will help offset the cost of doing business in these strange times. Thank you for stepping up and donating and the winner of the drawing will be announced at the August business meeting. Good luck.

I would like to report that I attended my first Chapter meeting and do you believe it was online, 80 attended and it was very well done. Bishop Soto led us in an opening Pray and Scripture message. Worthy Chapter President Don Harmata took the Gavel for the first time, a very smooth transition in leadership. The big topic for the day was trying to tap into the Hispanic men and get them involved with the Knights of Columbus, A huge resource, we can do better.

And ask about the Fraternal Benefits Presentation, September 17th, 7pm online.

Last but not least I am happy to report that Gene Scallon and Joe Accurso are both home and recovering. They say Thank you for the Prayers and Action taken for them. God Bless you and God Bless America

Fraternally,

***David Rogers,
Grand Knight***
