20 Years of Serving Children, Families and Parish

"Then the children were brought to Him that He might lay His hands on them and pray. The disciples rebuked them, but Jesus said, ‘Let the children come to me, and do not prevent them; for the kingdom of heaven belongs to such as these’.” —Matt. 19:13-14

These words of Jesus continue to inspire us today as they did 20 years ago when the program began. St. Laurence Weekday Children's Program was designed and implemented by St. Laurence Parish in response to the identified need for a high quality early education program in St. Laurence Parish to serve children from crib years to kindergarten. As we complete the second decade of serving children, families and parish, we find that the need still exists in our parish.

The staff of the Weekday Children's Program accepts God’s call to serve the children, families and parish of St. Laurence. Our Mission states, “We believe that children are the heart of the Kingdom of God. Together with family and community, we are called to support children’s spiritual and human growth and development. We believe that children are the heart of the Kingdom of God; thus, special attention is devoted to children’s spiritual and human growth and development. Children need to come to understand that God’s love is unconditional. Over the past twenty years some of the richest rewards have come from seeing children awaken to the presence of Jesus in their lives. As members of the Body of Christ, we care for and take responsibility for its members.

We believe that children are the heart of the Kingdom of God; thus, special attention is devoted to children’s spiritual and human growth and development. Children need to come to understand that God’s love is unconditional. Over the past twenty years some of the richest rewards have come from seeing children awaken to the presence of Jesus in their lives. As members of the Body of Christ, we care for and take responsibility for its members.

We believe that families are most important in their child’s development, and we strive to support them in the challenges of parenthood. We feel it is important to celebrate the rich diversity of the families within the program and parish. The distinctive characteristics, customs, traditions, and needs of each family have a bearing on child rearing as well as the transmission of religious values. The Weekday Children's Program provides a small faith community for the support of families as they are the Domestic Church.

We believe that we have a responsibility to the parish. We fulfill that responsibility by providing for the diverse needs of the families within the program; that is, by helping families gain access to services and professionals when needed, and by participating in parish community service projects.

As we begin this 20th year, we again rejoice in the words of Jesus to “let the children come” because we know that with God’s love and grace and the guidance of the Holy Spirit we can set out anew in our mission.

Blessings, Becky Wilkinson
St. Laurence Weekday Children’s Program Director

PRAYING THE NEWS | AUGUST 11, 2019

“Our soul waits for the Lord, who is our help and our shield.”

PSALM 33:20

Dear God, we turn to you again in deep sorrow — over the shootings in El Paso, Dayton and all such events which continue to wound families and communities. Please grant the courage and strength to bring about real change — to control weapons of war, to replace racist, hateful words in homes, schools and public speech with respect, and to bring acceptance and healing to those in need. Instead of isolation. Jesus, we trust in you. Amen. ♦

2 GREAT TALKS

GROWING A FAMILY CULTURE
Family Culture is the unspoken system that binds your family together and communicates your expectations, beliefs, and values more powerfully than any written word, an invisible web that binds your family together. Parents need to be thoughtful and intentional about the culture that they are stewarding within their home.

KEEPING LOVE ALIVE
When parents strengthen their marriage they are able to love their children more effectively and create a community of faith and love within the home. Learn new ways to renew your marriage and improve the culture within your family.

Couples of all ages are invited to St. Laurence for the workshop, with opportunities for one-on-one couple discussion, table dialogue and prayer.

Michael & Alicia Hernon founded The Messy Family Project, a ministry to empower parents, strengthen marriage and bring families to Christ. Parents of 10 children, they offer inspirational and practical insights into family life through their popular podcast and website.
I came from a small parish in Kingsville where my family was very active. We knew everyone. When Melissa and I first began attending St. Laurence, we didn't really know anyone. I wanted to know more people and become active but didn't know how to get involved. After attending an ACTS retreat in 2012, I was determined to be more active and signed up to be a Eucharistic Minister of Holy Communion. Then I joined Men Called to be Saints. The next thing I knew, I was active in several different ministries and had a bunch of new friends. All of sudden this large parish became much smaller. Through the KCs, ACTS team, Family Faith Core and other ministries, I have grown not only in community, but in my faith. Each ministry provides an opportunity to put my faith into action, learn along the way, and be an example of faith and service to my family. This has brought us closer together and is one of the most rewarding aspects of serving in ministries at St. Laurence. Don't be intimidated by the size of the parish or that you don't know anyone. In every instance when I sought to become involved in a different ministry, everyone was very welcoming and encouraging. It is about finding a ministry that fits your interests and going for it. It has been very rewarding to become active at St. Laurence. I get to live my faith and have made many friends along the way.

Q. When can I offer a Mass for 2020?
A. Good news people, the wait is over! The 2020 Mass book is officially open for Mass intentions. Please don’t all storm the church office at once. Remember, you can only schedule 3 Masses. That’s right, 3 Masses. One more time: 3 Masses. Maybe if I say it THREE times you guys will get it, right? I will say, some people push for more, but if we allow that, then we’ll be filled up before 2020, just sayin. Parishioners ask all the time “how much is a Mass?” There is no charge to have a Mass offered here at St. Laurence, but if you would like to make a donation, it goes right to the priest who does that particular Mass. You know, pocket change, right? Once you have offered your 3 Masses here (like how I’m mentioning it again?), you can have as many as you want offered at the Seminary, so you guys have options. Just sayin.

Paula Savo has been our Parish Receptionist for 21 years and knows the practical answers to (practically) everything. Call 281-980-9812 or email her at psavo@stlaurence.org.

Contact Joan Hastreiter at jhastreiter@stlaurence.org (Elementary) or Cindy Martin at cindymartin@stlaurence.org (PreK3 through Kindergarten).

NEXT WEEK ON THE PLAZA
HELP ADULTS LEARN TO SPEAK ENGLISH
Classes begin SEPT 9

Volunteer or learn more about the Learn English Ministry by talking to a volunteer next weekend on the plaza after mass. The Learn English Ministry offers free English language lessons to adults. Our students come from 30+ different countries and speak a variety of languages. We teach conversational English: those basic skills needed to talk on the phone, get directions, open a bank account or talk to a child’s teacher.

Volunteer! No experience is needed; we will train you.

THIS WEEKEND: USED SHOE DRIVE

Do you have GENTLY used shoes that you no longer need? If so, drop them in one of the Social Concerns bins in the church narthex THIS weekend only, August 10-11. The shoes are cleaned and refreshed by the Lawerance Perreau family (and friends) and shipped to Soles4Souls, a global social enterprise institution committed to fighting poverty through the collection and distribution of shoes. Your donations create sustainable jobs in developing nations and help people lift themselves and their families out of poverty!

HABITAT FOR HUMANITY UPDATE

After various delays for Hurricane Harvey relief efforts and building permit challenges, your Habitat for Humanity ministry is ready to build our next house! We will begin on-site wall building on Saturday, September 7 and continue on every Saturday until the house is done, sometime around Thanksgiving. Due to the generous contribution of your treasure, we have raised the funds to fully sponsor this house, to be built in North Richmond. If you are interested in sharing your time and talent, we would like to have you join us for any or all of our builds. Simply contact Steve Pondell at spondell@comcast.net and we’ll get you on our distribution list. Don’t worry if you do not have a lot of experience in house building – we’ll teach you everything you need to know and give you the tools as well!

Now is the time to sign up if you or your ministry would like to provide lunch for the hungry workers. The lunches are so appreciated by the volunteers, as well as the prospective owners, who also participate in the build throughout the construction period. Monetary donations are also welcome. It takes approximately $110.00 to feed everyone. For more information and to reserve your date, please contact Lawerance Perreau at 832-525-8717 or lperreau@comcast.net
