

PARENT TESTIMONIALS

ST. LAURENCE WEEKDAY CHILDREN'S PROGRAM

WHAT PARENTS SAY ABOUT WCP

The following parent comments were taken from our Annual Family Survey

- I really appreciate the genuine care that the staff has for the uniqueness of each student that walks through the doors of the school
- SLWCP was the best thing that happened to my kids and I will be forever thankful for all they learned from the wonderful teachers at this awesome program.
- We love this program. Thank you for all the great work. My child is learning so much!
- Our children have made significant growth and are eager to attend every morning-(that is the best indicator of a wonderful program)
- We love this program! Our children learn in a safe environment - we are highly pleased. Exceptional Staff!
- I feel very happy with my child's development over the years she has been in the program. Teachers are very loving and caring for the kids. Overall I highly recommend this program because it helps very much in children's education.
- My child practices both languages at school. The teachers work very hard to incorporate her maternal language.
- I have been extremely happy with St. Laurence Weekday Children's Program the past 4 years. My children have been very successful academically and socially. Becky Wilkinson is an amazing director and I give her a lot of credit for running this wonderful school.
- I can't say enough great things about the Bridge program. The teachers are fabulous and my son has learned so much. SLWCP is a great school and I would strongly recommend to family and friends.
- I am a nursing mother and feel very fortunate that WCP allows me to feed my child daily in the classroom. I have always felt comfortable and welcomed.
- My child's teacher is in constant communication; letting us know about the upcoming activities in the class, how we can provide support and further learning at home. I feel like my child is cared for and her needs are met. The St. Laurence Weekday Children Program has exceeded my expectations.
