

Regional Director

The Regional Director (RD) is responsible for the membership and financial health of the respective region and its chapters. The RD reports directly to the Executive Director, supporting existing chapters by fostering the employment of best practices within the framework of Legatus' national and chapter bylaws. The RD acts as a conduit between chapters and the national organization, providing specific services to chapters such as:

- Recruiting new members
- Revitalizing struggling chapters
- Aiding in program and event development
- Mentoring and collaborating with chapter officers
- Supervising chapter administrators
- Serving as liaison with local diocese, chapter chaplains and regional chapters
- Ensuring highest quality member experience

The Regional Director also provides support services to the Executive Director and national organization as requested (Summits, conferences, media, etc.).

Qualifications include a willingness to approach the role and tasks with a commitment to the mission and values of Legatus and the teachings of the Catholic Church and a high degree of relational maturity and professionalism for interaction with archbishops, bishops and Catholic executives at the highest level. A Bachelor's Degree and minimum of five years of professional experience is required. Administrative and/or sales leadership experience is preferred as well as the ability to communicate effectively both verbally and in writing. The successful candidate must be resourceful and have the ability to adapt to a wide variety of situations. The RD will be hungry for results and a forthright team player.

Frequent travel within the region and working from home is required.

Salary is commensurate with background and experience. Additionally, the Regional Director is eligible for bonuses following growth in the region. Excellent fringe benefits plan includes a matching 401(k) plus medical, dental and vision.
