On Monday April 26th Hope of the Valley Rescue Mission will start to admit people currently experiencing homelessness into the brand new 103 unit/200 bed Alexandria Park Tiny Home Community in North Hollywood.

They are reaching out to the community to get the site ready. They need 200 sheets, 200 pillows, 200 blankets, 400 storage bins, and 200 towels.

They have made it very simple for us. They created a link to Amazon with the exact items they picked out. If you would like to help , go to
