

St. Mark ACTS Core Meeting Minutes September 4, 2019

Opening Prayer – Cheramie led us in prayer.

Welcome New Committee Member – Scott introduced himself and provided a bit of his background. He also signed his Yes agreement.

Women's Retreat Status – None of the leadership was able to attend, so we don't have a formal report. Pat will attend the team meeting on Monday to determine needs for the retreat weekend.

Core Training / New Charter – Chapter is holding Core / Retreat Training at St. Mark on Sept 13th from 8:30am – 3pm. New core members should plan to attend to fulfill the training requirements for new members. Other core members are invited as well, and if you attended training within the last 2 years, there is no fee. The new Core Charter and Retreat Manual will be available.

Men's Director Selection Process – Paul described the process for selecting the new Men's Retreat Director (which will be held March 5 – 8, 2020 at Briarwood). In order to be eligible, men must be a registered parishioner of St. Mark, have attended a Men's retreat, served on two adult teams, demonstrated servant leadership, and be approved by Father George.

Status Reports

Co-Facilitator - Paul transitioned some of the tasks to Cheramie prior to the meeting. The cost of bus transportation has increased recently, so we need to get new bids. The Women's retreat in November will continue to use the same transportation company as we have for the last couple of retreats.

Communications – A motion was raised by Lil and seconded by Pat to approve the August minutes; passed.

Treasurer – No report.

Retreat Support – No supplies need to be purchased for the upcoming retreat.

Retreat Supplies – Trish gave Alma the leftover supplies so she can determine if there are enough for the upcoming retreats. Trish will send the last trailer inventory that she has; however, Tom may have a more current copy.

Faith Sharing – nothing new to report.

Social – Vince discussed the next XLT (Sep 22nd) and his plan to get the ACTS community involved in these evenings of Adoration and Praise & Worship. He plans a potential Catholic Cash Mob at Sweetwater Coffee in the near future.

Music – Lil will reach out to Emily about any music needs for the retreat.

New Business – Lil mentioned that the notifications from the Ministry Fair, that come in via Stewardship Pro, need to be forwarded to Paul, rather than her.

Zmolik / Schmidt Family – We prayed 3 Hail Mary's for the family and the repose of the souls of Ana's parents - Mama Ana and Albert.

Next Meeting – Wed, Oct 2nd, Parish Hall.

Closing Prayer – Cherie led us in the St. Michael Prayer
