Catholic Campaign for Human Development
November 18th & 19th
Next week, our second collection will be for the Catholic Campaign for Human Development. Over 46 million people in the United States live in poverty. This collection supports programs to empower people to identify and address the obstacles they face as they work to lift themselves out of poverty. By supporting this collection you give people a hand up, not a hand out. Learn more about the Catholic Campaign for Human Development at www.usccb.org/cchd/collection.
