**NEW** Missionary Cooperative Appeal

July 20/21

The next weekend is a Mission Appeal Sunday in your parish—please pray that you are happy in your own way, not the cold philosophy of a conscientious magistrat, nor the care of a host who feels himself responsible for the comfort of his guest, but the consuming Fire Himself, the Love that made the worlds, persecution As is the artist's love for work and despicable as a man's love for a dog, provident and venerable as a father's love for a child, jealous, inexorable, exacting as love between the sexes. How this should be, I do not know: it passes reason to explain why any creatures, not to say creatures such as we, should have a value so prodigious in their Creator's eyes.” C.S. Lewis, The Problem of Pain

Looking Back

A History of our Parish

In 1908 the rumor was that the Catholics were contemplating building a new church in Susanville if they could find a suitable site at a reasonable price. Anton Banyett would be the key figure handling the negotiations, as he did with the first location. In May 1909, Banyett began planning for purchasing the Southeast 1/4 of Block 28 (the present location of the Sacred Heart Church), from the L.C. Stiles Estate for $325.

Even before the church was built, work began on moving the Sacred Heart Church from the Richmond Road location to the northeast corner of Nevada and Union Streets.
