A History of our Parish
After the dedication of the church, Father Moran still felt a need for further enhancements to the church, including the stained glass windows, a mural, and a chandelier for the steeple. Slowly, surely, the stained glass windows became a reality for the Sacred Heart Church. In 1948 the parish sponsored a bazaar and with the funds going towards a stained glass window, so that it could be installed when the new church was completed. This event was so successful that $1,000 was raised. Shortly after the church was dedicated, the parishioners of Herlong Mission made a pledge to sponsor the cost of one window.
