**A History of Our Parish**

After Father O’Reilly’s arrival, more improvements would be made to the church under his guidance in the next few years. In 1913 the whole interior of the church was remodeled. These improvements included a new chancel, along with a new confessional, and a set of Stations of the Cross for the walls. The final touch would be the installation of electric lights and new carpeting. More work continued to be done mentioned in the Lassen Weekly Mail of January 23, 1914.
