Mesquite Area COVID-19 Vaccination Project Action Plan – 2021

COVID19 Vaccination Plan Being Developed for Mesquite, Virgin Valley and Moapa Valley:

[Editor's Note: The following information was released by the Mesa View Regional Hospital Information Officer as of Jan. 14 at 3:30 p.m.]

As you read this update, a devoted team of organizations and individuals are working out the final details for a strategic comprehensive community vaccination plan for the greater Mesquite area. These include: Mesa View Regional Hospital, City of Mesquite, Southern Nevada Health District, Eureka Casino Resort and CERT.

The plan is fundamentally dependent on factors such as Vaccine availability, licensed staff availability and location.

As of today, January 14, here are some planning targets that have been established:

- **More than 140 health care workers, first responders and other Tier 1 individuals have already been vaccinated in our area!**
- **Date for residents to begin making appointments online or in person: Friday January 22nd, 2021**
- **Appointments will be available five days per week, Tue-Sat 7:30am to 11:30am**
- **Date vaccinations set to begin: Tuesday, February 2nd, 2021**
- **Location: Rising Star Field House provided by Eureka Casino, at 333 N. Sandhill behind the hotel!**
- **Vaccinations will be offered at no cost to the patient.**

Updates will be published over the next few days as more information becomes available including more detail for sign-up and scheduling website information being developed by the Eureka Resort IT professionals.
