From the Principal . . .

Next week is Catholic Schools Week! The staff has planned a number of fun activities for our students and we are all looking forward to just celebrating and being thankful for our many blessings. Please be sure to read over the attached list of activities. Note: ALL K-8 students will be going to Mass next Tuesday (Fr. Jim is doing 2 Masses so they can all attend). Students will ONLY go to Mass next Tuesday (and not on Monday or Wednesday).

Report cards should be going home today. If you do not receive a report card for your child by tomorrow morning, please reach out to their classroom teacher.

Thank you all for your continued support. Have a wonderful week and weekend!

Blessings, Camille DeLano

Valentine's Day Celebration

We still plan to hold a Valentine's Day Celebration (instead of a party) on Friday, Feb. 12. This day will be like the Halloween & Christmas celebration day, with no definite party time but lots of fun Valentine's Day activities taking place in the classrooms. Teachers may reach out for prepackaged goodie donations, craft items, etc. Students may still bring cards to exchange but any "goodies" attached to the cards (or given with the cards) need to be prepackaged.

24th Annual Ribs-n-Raffle

We invite you to become a sponsor for the 24th Annual Ribs-n-Raffle event. We are sending home an envelope with information about the event.

Sick Children

This has not changed!! We cannot emphasize this enough-PLEASE continue to keep sick children at home; this includes runny nose/cough/sore throat (depending on the severity, we may ask that siblings remain home as well). Should a student have a runny nose, cough, the stomach flu, fever, diarrhea, sore throat/strep throat, etc., we ask that you also keep all siblings home. We are trying our best to maintain in-person learning and can only do this with your help. Thank you!

Snow Days

Due to SHPS having to shift, at times, to remote learning, this impacts their ability to assist us with calling snow days-essentially, they will only call me to cancel school due to weather if they are in-person that day. Therefore, I have reached out to a handful of parents who live in various locations around the area to help me in determining if we need to call school due to weather. Once I get a weather report from them, I will then send out a parent alert and email to all families letting everyone know that we have a snow day. **This will ONLY happen if we are in-person, NOT remote.** I will do my best to get the alert and email out to you as early as possible. I will also post it on the local weather stations (channel 8 and channel 3). We ask for your patience as we try out this new procedure.

Students will still have the 6 designated snow days per the state (when in-person). After the 6 days are used, we will do remote learning per our remote learning plan. In this way, we will not have to make up days at the end of the year.

Online **VIRTUS** training

You can still do the VIRTUS training online if interested! Even though we are not using many volunteers this year, that will hopefully change next fall. All volunteers must complete this training and you only have to do it once. To register:

1. Go to www.virtus.org to create an account, where you will select “first-time registrant”.
2. Select the first option “begin the registration process”.
3. Select the Diocese of Kalamazoo as a location from the drop down menu.
4. Set up a username and password for an account.
5. Email mhentz@diokzoo.org for the instructions to complete the online training module.

A few notes from the office . . .

PRESCHOOL/KINDERGARTEN ENROLLMENT FOR FALL 2021: We are beginning the process of enrollment for next year, beginning with preschool and Kindergarten. If you will have a preschool or Kindergarten student attending Saint Basil next year, please complete the attached form and return it to school NO LATER than Monday, Feb. 8, to secure a spot for next year. Complete the form ONLY if you will have a Preschool or Kindergarten student joining us next fall. We will work on grades 1-8 soon!

BOTTLED WATER Also, we could use some more “cases” of bottled water to have on hand for those who forget to bring their own. If anyone wouldn't mind donating to the cause, we would greatly appreciate it.
