

Trusting that the Lord does not grow weary of listening to our prayers, we present our needs to him with confidence:

For the Church: that we may share the light of the Gospel with all who are struggling to recognize good from evil, truth from lies, and selfless love from self-serving activity

Lord hear our prayer

For this parish community: that our prayer, fasting and almsgiving of Lent may bring forth a new springtime of faith to our parish as one body in Christ

Lord hear our prayer

For growth of our faith: that God's love for us may be a light for us as we face our daily challenges and draw us into a deeper relationship with God

Lord hear our prayer

For government officials: that God will anoint their minds and hearts so that they may promote the well-being of all whom they serve especially as they work to mitigate the impact of the coronavirus, particularly the vulnerable and powerless of society

Lord hear our prayer

For insight and openness to caring for our environment: that God will help us to see the damages that have been done to our air, water, and land, and guide us in developing policies that will protect the environment from further harm

Lord hear our prayer

For the small business owners, workers and all struggling in our community during this time of financial uncertainty, may the Spirit provide counsel to this community and political leaders to find ways to lessen their burden.

Lord hear our prayer

For the new homebound caused by the virus scare in our community, that the Lord bring sight to our eyes so to care for them as our brothers and sisters.

Lord hear our prayer

For all who work in healthcare: that God will give wisdom to those working to contain the virus, insight to those searching for treatments or a vaccine, and strength to those caring for the sick

Lord hear our prayer

Loving Father, we desire to live as your faithful children, both now and in the life to come. In your mercy, hear and answer our prayers. Through Christ our Lord Amen.
