

Canadian Federation of Presbyteral Councils
2019 National Assembly
Montréal 7-10 October 2019

In the interest of selecting a somewhat central location that would also facilitate easier travel arrangements AND to explore possible CFPC collaboration with brother priests of the dioceses of *La belle province*... the participants at Assembly 2018 agreed that Montreal would be the best location this year! **et voilà here we are!**

The pervading theme for Assembly 2019 is '**Priestly Vitality**'. Among the

special speakers will be the Apostolic Nuncio to Canada, Archbishop **Luigi Bonazzi** and the Archbishop of Montreal, Most Rev. **Christian Lépine**, who will share their priestly experience and insights on growing true happiness in our ministry and sharing it with those entrusted to our care.

Aside from the excellent **talks**, the event will include **discussion** and **sharing**... the collective **steering** of our Federation into the organization it can and must be for the benefit of our members... opportunities of **fellowship** and **prayer** with *dedicated* priests from around Canada, and... an extraordinary pilgrimage experience to the famous **L'Oratoire Saint-Joseph**.

You are invited! - All diocesan **CFPC Representatives** or, if one is unable to make it this year, his designated **substitute**, but also (*room permitting*) all brother priests that would like to participate in the Assembly! But **register now!**

The primary Assembly location will be **Le Nouvel Hotel**. Conference sessions and most meals will take place here. They are offering a good rate for Assembly participants so **reserve your room today**, but clicking on one of the links below.
