#### Campaign Corner:

As we eagerly look forward to resuming more parish ministries and gathering together in greater numbers, our capital campaign is preparing the way. With only \$1.6 million to go toward our goal of \$7.5 million, we are closer to beginning the trans-

formation of our parish school which will enhance the life of our entire parish.

The renovation and expansion of the school will provide a 7,135 sq. ft. multipurpose space (auditorium with stage/gym/lunchroom) which can be used for large parish events and additional meeting space. The project also includes the construction of 12 new classrooms, giving our parish the space, we need for religious education classes, youth groups, and parish ministries.

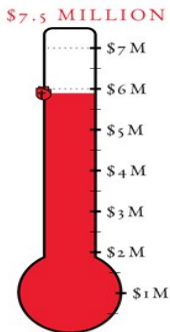

Be a part of something great and MAKE YOUR PLEDGE NOW AT: [www.littleflowerschoolnv.org/capitalcampaign/](http://www.littleflowerschoolnv.org/capitalcampaign/) or return your pledge card to the church or school office.

THANK YOU to our new DONORS for bringing us closer to our goal!
