Family Connection

It is not only individuals who need reassurance about God's love and protection. Communities need this reassurance as well, including the community of the family. Children rely on the confidence of their parents for this assurance. Parents can help the entire family's growth in trust and confidence in God by witnessing ways in which daily family needs are entrusted to God's care.

As the family gathers, distribute pieces of paper to each person. Tell them to write or draw ways in which they believe that God's help is needed for each person and for the family as a whole. Each slip of paper can then be collected in a basket.

Invite one member of the family to read aloud today's Gospel, Matthew 10:26-33. Recall together how well God knows your family and thank God for this wonderful grace. Conclude by praying together for each of the needs identified on the slips of paper. After each need is read, pray together, "God, we trust you because you know us so well." Conclude by praying the [Glory Be to the Father](#).

This practice might become a regular part of your family's prayer. Set the basket in a place of prayer and encourage family members to add other needs throughout the week. Perhaps your family can pray for these things together during a family meal

Happy
Father's
Day!

A Father's Day Prayer

Heavenly Father,
you entrusted your Son Jesus,
the child of Mary,
to the care of Joseph, an earthly father.
Bless all fathers
as they care for their families.
Give them strength and wisdom,
tenderness and patience;
support them in the work they have to do,
protecting those who look to them,
as we look to you for love and salvation,
through Jesus Christ our rock and defender.
Amen.
