### Family Connection

In today's Gospel, Jesus teaches an important lesson for families: from the youngest and simplest among us we can learn the most profound insights about God. Parents who are attentive to this reality can learn much from their children even as their children are learning from them. Families who create time and space for encounters with God will enrich the faith of all who share in family life.

Gather as a family and read together today's Gospel, Matthew 11:25-30. Allow time for each person to reflect on what Jesus reveals to us about God. Invite each person to show these things in a creative way, perhaps through a picture, poem, or some other means. Share these with one another. Conclude in prayer together, thanking Jesus for making God known to us. Pray together the Lord's Prayer or today's Psalm, Psalm 145
