Family Connection

Children learn about love from real, concrete examples witnessed in family life. We can help children to love God and love their neighbors by showing everyday acts of love, generosity, and kindness—our own expressions of our love for God. These acts, small and large, are the expression of what Jesus identified as the two greatest commandments: love God and love neighbor.

Make a poster together as a family. Write the words *Love God* in the center of the poster and write the words *Love Neighbor* near each of the four sides of the poster. Read together today's Gospel, Matthew 22:34-40. Talk about how Jesus taught us that our love for God is revealed in the love that we show to other people. On the poster, use pictures and words to show some of the ways that your family shows their love for other people. Pray together that your family will continue to express your love for God by loving others. Pray the [Act of Love](#).
