Family Connection

Understanding today's feast of Christ the King may be particularly challenging. While most of us do not have direct experience with kings or royalty, we have a sense of who they are. We know that royalty have sovereignty over their kingdoms. We know that those who are subjects to royalty offer them allegiance and honor. To understand how Christ is our king, we extend and magnify what we know to be true of the best of human royalty. Christ's kingship extends to all places, all people, and all times. Christ manifests his kingship through his death on the cross in which he offered salvation to everyone. Those who can see with eyes of faith recognize Jesus to be our heavenly king.

As you gather as a family, recall that this Sunday is the last Sunday in the Church year and on this Sunday we celebrate the feast of Christ the King. Talk together about what it means to be a king or queen. How do those who are subjects behave toward royalty? Invite children to role-play what one does in the presence of royalty. Read today's Gospel, John 18:33b-37. Ask your family to discuss these questions: Does Pilate treat Jesus like royalty? (No.) What does Jesus say about his kingdom? (It is not of this world.) Talk about how your family shows honor and obedience to Christ our King. Pray together the Lord's Prayer and ask God to help your family act in ways that show you recognize and honor Christ as King.
