*Every Student Matters,
Every Moment Counts!*

Drop Off:

Drop off will begin at 7:15 each morning. Students will not be allowed to enter the building before 7:15. Students will be spaced to allow for social distancing.

When entering the parking lot, stay to the left to drive in front of the school, please ignore the one way sign (the traffic pattern is the same as pick up in previous years). Traffic will split into two lanes for drop off. The lane on the left will stop at St.

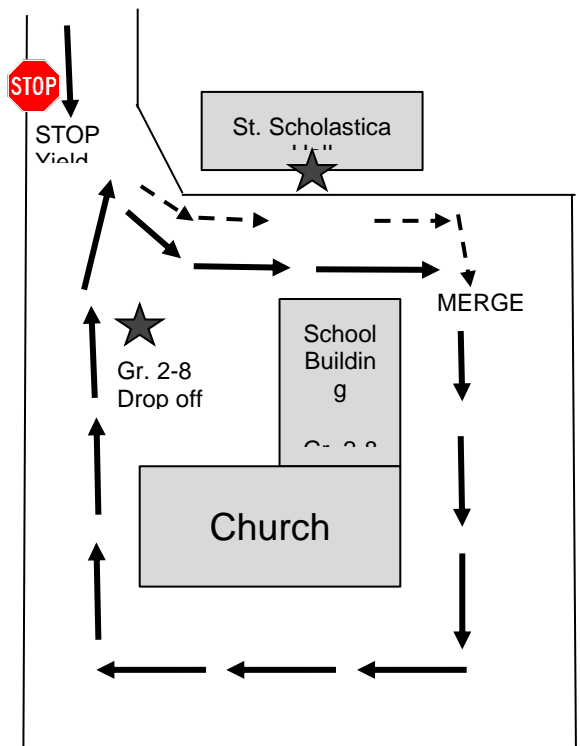

Scholastica's entrance to drop off kindergarten and first grade students. Cars with students in all other grades will keep to the right and drive around to the back entrance of the school nearest the office. Cars with students in both St. Scholastica and the main building will get into the right lane to drop off older students after their kindergarten and first grade students are dropped off.

All students will exit cars and have their temperature taken. Students who register a temperature of 100.2 or higher will return to their car with any other students who arrived in the same car. Students will not be allowed to attend or enter the school, parents must contact the office to get further information to return to school.

All students will receive breakfast in their classroom. All students are encouraged to eat breakfast, school breakfast is free. Students will not be required to eat breakfast.
