

# Remote Learning Agreement

## Catholic School

Every Student Matters,  
Every Moment Count!

I, \_\_\_\_\_, agree to assist my student with remote learning. I will meet the requirements listed below to participate in remote learning on a daily basis.

Initials	Requirements
	Lead children in daily prayer (ex. Hail Mary, Our Father, Angelus, morning offering, school specific prayer, etc.)
	Support learning by suggesting a quiet space to learn and provide a daily checklist of tasks to complete.
	Students will maintain visual contact during streaming instruction. Students must be in front of the camera during the entire class for active participation. Remote learning is a time for academic engagement; students should refrain from doing any other activities (games; texting; social media; or other activities that limit participation for instruction).
	Keep students accountable for original work - see your school's Virtual Learning Integrity Code.
	Get acquainted with Google Classroom or Seesaw. <ul style="list-style-type: none"> <li>- A Parent Guide to Google Classroom   <a href="https://www.youtube.com/watch?v=lqS-hoSljnw">https://www.youtube.com/watch?v=lqS-hoSljnw</a></li> <li>- A Parent Guide to Seesaw: <a href="https://www.youtube.com/watch?v=rSX2nDvsnzI">https://www.youtube.com/watch?v=rSX2nDvsnzI</a></li> <li>- Log in to the student's Google Classroom or Seesaw each evening to view students' work.</li> <li>- Check in daily with students about schoolwork deadlines and plans for completion.</li> </ul>
	Encourage students to turn off phones and other electronics past 9 PM.
	Communicate with teachers via email, Google Classroom, Seesaw, or REMIND.
	Complete daily log for student participation. Submit the log weekly electronically or in person.
	Read all emails and newsletters provided by the office and teachers.

It is our belief as Catholic Educators that our parents are our student's primary educators. We have provided three options for you to determine what is best for your student(s). Please make a prayerful decision in how you wish to have your student(s) participate in schooling for the 20-21 school year.

**Option 1: Remote Learning**

My student(s) will participate in remote learning for the first quarter. I understand that my student(s) will not be able to return to school before the end of the quarter. If I choose to return to in-person or hybrid learning for my student (if available based on the Wyandotte County Health Department) I will submit a written request to return to in-person or hybrid learning for my student 15 days prior to the end of the quarter (10/15/2020; 12/3/2020; 2/25/2021). Remote learning is available throughout the 2020-2021 school year.

**Option 2: Modified Hybrid Learning for K-5**

I understand that if we are in hybrid learning, as determined by the health department, my student will participate in person on Tuesday/Wednesday or Thursday/Friday based on the Blue Gold list. If the school is closed any day due to holiday or other circumstances, those days can not be made up by attending a different day. I understand if the Wyandotte County Health Department opens schools for in-person learning my student(s) will return to school full time. I understand this selection requires my student to continue with this schedule until written notice is approved by administration or the mandate is reversed.

**Option 3 - Official School Plan at OLU**

My student(s) will maintain the same schedule of learning as provided by OLU and approved by the Health Department. This plan may change based on mandates provided by the state, county, or archdiocesan school's office.
