Travel Form

As per the March 4, 2021 guidance from the Diocese, we will permit students to travel outside of the State of Pennsylvania without quarantine requirements. The change does not mean that travel is suddenly without risks, of course. We are still in a pandemic, though numbers are better. Families who choose to travel are expected to practice social distancing, handwashing, and mask wearing in order to keep our communities healthy.

A copy of this form will be returned to you once the school has processed your request. Please be sure to review the Virtual Learning Agreement which serves as your guideline for remote instruction practices.

Please complete the form below and return it a week before your travel, if not earlier.

Family Name: _____

Travel destination (city, state): _____

Dates of travel: _____

_____ Our travel will not require any missed school days.

_____ Currently our travel will require that we will miss school on: _____

_____ Because of our travel, we would like to utilize virtual instruction on: _____
