Twenty-third Sunday in OT

Meditation

The Nativity of the Blessed Virgin Mary

On Tuesday of this week, we celebrate the birthday of Our Lady because Mary's birth introduced to the world the person who had been graced by a special vocation, to be the mother of our Lord. She was born free from original sin in order to fulfill that calling. In celebrating her birthday, we celebrate the beginning of a life of total union with God. This union allowed her to become God's own Mother. Thus we "see with what sentiments of tender devotion the Lord would have us honor Mary, in whom he place the plentitude of all good". (*Saint Bernard of Clairvaux*)

"Impart to your servants, we pray, O Lord, the gift of heavenly grace, that the feast of the Nativity of the Blessed Virgin may bring deeper peace to those for whom the birth of her Son was the dawning of salvation." *From the Collect for Tuesday, September 8.*
