## Meditation

### Fasting for Lent

Do you wonder how you can make fasting during Lent a more meaningful experience? Pope Francis has some excellent advice:

Fast from hurting words and say kind words. Fast from sadness and be filled with gratitude. Fast from anger and be filled with patience. Fast from pessimism and be filled with hope. Fast from worries and have trust in God. Fast from complaints and contemplate simplicity. Fast from pressures and be prayerful. Fast from bitterness and fill your heart with joy. Fast from selfishness and be compassionate to others. Fast from grudges and be reconciled. Fast from words and be silent so you can listen.

**A plea from our homebound brothers and sisters:** There are a number of our parish family who are still uncomfortable being in large crowds. These folks are missing the wonderful experience of fully participating in the sacrifice of the Mass. As many of us are vaccinated, we think that we can abandon our carefulness when we come to Mass. Our homebound family pleads with us to continue to wear masks over both nose and mouth, refrain from hugging and handshakes, and stay six feet apart. We miss them and they miss us. If we continue our love in protecting everyone, we will soon start seeing our brothers and sisters again.

**Please see the thank you note from Joan (on the front door) for your prayers for Billy during his illness.**
