

## OCTOBER FAMILY ACTIVITY #2

### TAKE A FAITH “FIELD TRIP”

For this special and fun Family Activity for October, we would like your family to take a “Field Trip” to one of our beautiful churches that make up Blessed Trinity Parish. You can choose a church you are very familiar with or one that you may not know as well. When you arrive, take a walk around the church and grounds and take in the beauty and signs of God’s presence. If you see something that has special meaning for your family, take a picture or write a sentence or two about it. If you are back to attending Mass, you can do this on the inside of the church as well. Our churches have so many amazing sights! There are stunning stained glass windows, beautiful statues and so much more! This field trip can be a great way for families to discuss so many things about their faith. Parent and Grandparents (they can come along, too) can talk about how things were when they were young. This could be very interesting for our children to see how faith is something passed down and cherished among families.

Don’t forget to send us a “postcard” from your field trip with your pictures and a short message or a brief written response to your experience.

An Example:

Mrs. Garfold’s special image.

This is a statue of the Blessed Mother that is in Holy Angels Church. As a child, where my family sat was directly in front of this statue and I could see Mary looking directly at me and it helped me remember that Mary, our heavenly mother, is always with us!
