

A big “Thank You” goes out to the **Catholic Foundation** for allowing us to purchase Food-Gift Cards to distribute to the families in our Religious Ed Programs.

Because of COVID 19, we were unable to meet in person for the entire year, therefore we could not feed our children a hot meal before Religious Ed Classes each week.

It was such a blessing that we were allowed to use the funds from the Catholic Foundation Grant that we received for the Feed the Children at IC Program, to distribute food-gift cards. Thus, allowing our families to purchase food for their households on their own.

What a blessing the Catholic Foundation has been to the Immaculate Conception Parish Community throughout the last several years.
