SJS Monsignor King's Library Family Reading Nights

We are excited that we had so many families who attended our November 14th reading night. Many of you asked for more nights and we are excited to announce that they have been scheduled! Please see the attached flier for details and mark your calendar! We love to have parents and children reading together for success.

As we "straighten the paths" of our own hearts and minds, during this advent season, we become more hospitable people, better stewards of God's grace and mercy, far more open and ready to invite others into our lives, homes, and parish. We climb farther up God's holy mountain and attract others to join us on the path toward holiness. This is preparation fitting for our merciful Savior.
