Re: Outside Food Delivery Policy

Saint Thomas the Apostle School does not allow outside food vendor deliveries during the school day or AfterCare. (Examples: GrubHub, Uber Eats, Door Dash, etc.) This is a safety concern that disrupts the educational process within our community, raises safety concerns by allowing strangers into the building, and possible banned foods entering the building that may cause an allergic reaction to students.

Thank you for your cooperation.

Sincerely,

Mr. Michel Petrillo, M.Ed.
