**MEDIA RELEASE  
2020/2021  
RETURN TO SCHOOL**

From time to time, the opportunity may arise for our students and their school activities to be included in news articles in our local newspapers, school newsletter, school/parish website, and other media venues. This may include pictures, slide presentations, videotaping, etc. Please note that this may include the use of first and last names in the media, but no names will be used on websites.

We like to publicize and share with the community the accomplishments of our students at St. Thomas the Apostle School. **However, it is necessary for the school to have parental consent or refusal on file.** Therefore, please complete the information below and return in your registration packet.
