

St. Theresa School

THANKSGIVING FOOD DRIVE

Dear STS Family,

Each year, STS sponsors a Food Drive at Thanksgiving for those families in the area who have fallen on hard times. We bring this food to the St. Theresa's Food Pantry and they share it with those in need.

Although times have been difficult this year for all of us, we're asking for your help with this project once again. We need food items for Thanksgiving and you can start sending them in as early as Monday, November 2nd. Normally, we do a contest with our children, and see which class can build the highest tower with the food products they've donated, but, this too is being put aside this year, do to Covid-19. Who knows? Perhaps by Springtime we'll be able to do this.

What do we need? Not only everything for a complete Thanksgiving Feast (*cranberry sauce, instant potatoes, canned vegetables, etc.*) but also regular staples - *cereals, peanut butter & jelly, pasta, rice, soup, etc.* Whatever you are able to do is always welcomed and appreciated.

A family in need? If you know a family in our school, in your own families or in the area who may be in need this Thanksgiving, please contact me by email or send in a sealed note. I will pass this info on to the Food Pantry coordinator who will contact the family. All of this information will be kept confidential.

Together we can make a difference!

Thanks and God bless!

Sr. Lou Ann Fantauzza, FMA
