Dear STS Family,

Here we are again, asking for your decisions regarding your child's in-person/remote learning choice for December-January. The reason this is a two-month duration is due to the shortened month of December (due to the Christmas holiday) and the strong possibility of families traveling and/or having relatives returning from colleges or visiting. Yes, I know that the Governor ordered no in-door gatherings of more than ten people, but I also know human nature, Covid-fatigue, and a non-recognition of the Covid-spike in our area that will allow families to cut corners and inadvertently put themselves and others at risk. When all this happens, it transfers into our school reality. If you know that your family will either be traveling or have family/relatives who haven't quarantined coming into your Thanksgiving/Christmas celebrations, I am asking you to **please opt for remote learning**. This is the only way we will be able to continue ensuring the health and safety of our children, teachers and staff. Thank you.

Please complete the following information and email it back to me at louann.fantauzza@mysts.org by 3:00 pm on Wednesday, November 25. This will allow us ample time to prepare for any changes in your choices for your children. These choices will go into effect and begin on Monday, November 30, 2020.

Should you have any additional questions or concerns, please feel free to contact me. Thanks.

God bless!
