Re-registration 2016-2017
Last Name A-L: Wed., Jan. 20
Last Name M-Z: Thurs., Jan. 21
3:30-6:00 p.m., in the Parish Hall

Re-registration packets will be given out at that time. The registration fee that applies to your family is due in full. We have split the alphabet so that re-registration will flow smoothly, but you can come on either day. All school accounts (tuition, After-school Care, library, fundraising fee, etc., must be up-to-date in order for a family to re-register). Please contact Lisa Holguin at 210-286-2489 if you have any questions regarding your 2015-2016 fundraising fee balance.

Please note that if you are unable to come to either of the above re-registration dates, the school office will NOT be able to assist you with re-registration during busy office times (7:30-8:30 a.m. and 2:30-3:30 p.m.).

You will receive a registration packet from the Day Care staff.

**Great News for the 2016 New Year
2016-2017 Tuition**

Parents, to make you aware of some behind the scenes decisions: Mrs. Salazar, while battling her debilitating disease, worked on the 2016-2017 budget. Because of her continued profound fiscal management, and the school continually remaining in the black, the tuition increase will be minimal. Next year's tuition rates will increase by 2 1/2 % . Fees will remain the same. We are still reaping the benefits of Mrs. Salazar's leadership.

Tuition:	In-Parish	Out of Parish
Pre-Kinder	\$6273	\$7273
Kinder	\$5019	\$6019
1 Student	\$5019	\$6019
2 Students	\$9479	\$10479
3 Students	\$13523	\$14523
4 Students	\$17147	\$18147

Families will receive a detailed worksheet with a breakdown of tuition and fees that are included in monthly tuition payments in late March or early April.

Our mission is to educate our students to excel in high school and in life and to inspire our students to live as faith-filled Catholics.

From Ms. Graves...

On Friday, January 8, the middle school students attended a program presented by PREP. The Prefreshman Engineering Program is an accelerated seven-week, mathematics-based program designed for middle and high school students with an interest in science, technology, engineering and math.

PREP is an excellent way for your middle school student to spend the summer. The program is held Monday through Thursday during June and July. For more information or to request an application, click on the logo below to visit the PREP website.

The school community celebrated the life of Mrs. Marcella Salazar, Principal, with a memorial Mass on January 7. After Mass, Mrs. Salazar's husband, Dr. Al Salazar, led a released of a flock of doves in remembrance.
