

Consecration of the Young to Mary

O Mary, Mother of God, Mother of the Church, Mother of all the families, and in a special way Mother of the young, we implore your most powerful intercession to rescue us from the power of the enemy.

Dear Mary, our Mother and Queen, help our youth to discover in the depths of their hearts, minds and souls that the reason for our existence is very simple but profound- to know, love, and serve God in this life so as to be happy with Him forever in heaven.

Dear Mary, we invoke you as our life, our sweetness and our hope. May our young people live their lives to the fullest by following Jesus who is truly the LIFE of our life. May our youth find their joy, happiness and sweetness in the loving embraces of the Sacred Heart of Jesus and the Immaculate Heart of Mary. Finally, in the midst of the storms, tempest and bitter trials of life, may our youth discover hope in Mary's Immaculate Heart and maternal embrace.

Dear Mary, may our young people become precious and shiny jewels one day in your crown in heaven, so that they may for all eternity contemplate the beauty of the face of God, Father, Son and Holy Spirit for all eternity. Amen.
