

Altar Server Workshop

Mark your calendars! We are seeking all interested students incoming 4th – 12th grade. If your son or daughter would like to join the Altar Server's ministry, please fill out the form below and return it by the due date.

This is one of the most important ministries of the church and must be treated as such. Altar Servers work closely with the attending priest and deacon at each mass and on special Holidays. Parents are required to attend the informational meeting, since this is also a parent commitment as well. We have an exciting year planned so please take the time to discuss this ministry with your child to see if he or she is interested in becoming a member. Altar serving is a great way to learn more about the meaning of the mass. It would be a great path for them to take to engage in parish life. Our parish has been very fortunate that many of our altar servers started this ministry when they were in 4th grade and have continued through high school. What a wonderful way for our youth to give service to our parish!
