Dear Employee of the Diocese of Knoxville:

Enclosed please find the New Health Insurance Marketplace Coverage Options and Your Health Coverage notice, in compliance with the provision of the Patient Protection and Affordable Care Act (PPACA) requiring employers to notify all employees regarding the coverage options available through the Health Insurance Marketplace (Marketplace).

Our current benefit program and costs are in compliance with the mandates; therefore, there is no change at the current time to the eligibility provisions of the Diocese of Knoxville Group Health Plan. Our Plan meets minimum value coverage and is affordable.

Please feel free to contact me at (865) 584-3307 should you have any questions or need assistance. God Bless.

Blessings and Peace,

Jennifer Mills
