Dear Parents,

I hope all of you are doing well and staying healthy. We are entering the time of year when colds and flu begin to make appearances. Please make sure you are using safe precautions throughout your daily schedule: wash your hands, use hand sanitizer, keep distance, and wear a mask. It is tempting to ease up the longer we are facing this pandemic, but please remember to stay safe. If your child has a fever or is presenting symptoms, please keep them at home. Call the office to report any absences.

In times of difficulty and uncertainty, we turn to our faith. When our faith is strong, we feel stronger and safer. We are called to be Jesus' disciples, acting in good faith and love. There are often times when stress and challenges get the better of us and we say or do things that may hurt others. It is so important to remember to let Christ's love shine through us onto others as we treat everyone with respect and love our neighbor as ourselves. We are all facing a challenging time, but our faith and God's love will guide us through.

God Bless and Stay Safe,

Miss Chessler

Deepen Your Faith:

Dear God, help each of us recognize the power we have to help make a difference in this world. Let us not be disheartened by cynicism and complacency. Let us recognize the power of our actions. May they serve as an example to others and bring them out of their suffering and despair. Amen.
