Dear Parents,

Second Quarter has begun! We are welcoming more students back into the classroom and we are so excited! Our same safety measures are still in effect. We have done an amazing job so far and cannot let up.

Educating a student is a partnership between the family and school. Our country is still facing a pandemic and what we once knew as normal, is no longer. Our teachers are working extremely hard as they navigate new ways to teach their students and keep them safe. Please be mindful that they are also balancing their family and home life, along with teaching your child. Please continue to have patience and compassion as we pray for our students, teachers, staff, school, and world.

All students, remote included, need to be in the proper uniform each day. Dress uniform is worn on days when there is no gym class. Gym uniform is worn on gym days. The teachers will let you know the special schedule for the week and it is posted in the specials classrooms. Again, all students need to be in the proper uniform. Infractions will be given to those who are not.

As we enter the month of November, we remember all those who have served and are serving, as well as those that are in need. We will be doing a food drive and more information will be coming from our Student Council and Beta Club. In a time when the world seems off balance, we can be the light to others, as Jesus was.

God Bless and Stay Safe,

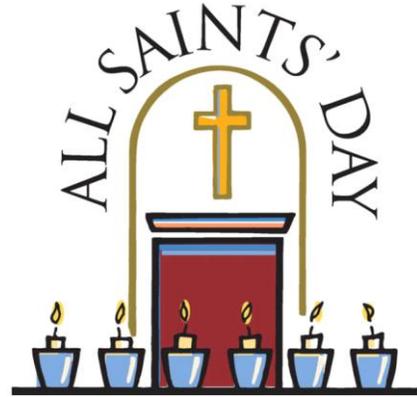

Miss Chessler

HOLY SPIRIT SPARTANS

While nurturing active Christ-centered citizens, Holy Spirit Catholic School's mission is to maximize student learning through the development of responsibility, reasoning, and resilience.

Important Reminders:

- * Check your email. Teachers send newsletters every week and they are full of important information.
- * Check your child's Google classroom and homework every night for 2nd-8th grade. This includes specials. Let's help your child be successful together.
- * **ALL** students must be in uniform and follow all the guidelines in the handbook.
- * Call the office to report absences, including doctor appointments. We are reporting attendance monthly to the state. Send in Doctor's excuses, even if you are remote.
- * Take care of yourselves and families, especially with the weather changing and holidays approaching.
